About This Game

Based on Third-person/Top down shooter that doesn't take itself too seriously (it is a game after all).

- Configurable and upgradable armaments.
- Conversations and choices will affect the game.
- Multiple endings.
- Sorry, but there isn't a nanny pointer to direct your next action.
- Camera can be locked or unlocked at will.
- Hi-def is native resolution.
- Potentially, emotionally charged moments.
- NPC's have been directed to not speak "AT" you, please report violations of this and we will investigate.
